## **UNDERGRADUATE SCHOLARSHIP APPLICATION**

**2016/2017 School year**

Founded in 1975, the Clay County Education Association, or CCEA, continues its mission of safeguarding the contractual duties and obligations of Clay County Teachers in the common interest of serving our Clay County Students. After over 40 years of service, we still believe in Public Education being Student-Centered and Teacher-Led. While educational policies change with the times, one thing can always be counted on: the rising cost of education. In an effort to acknowledge the efforts of Clay County's exceptional students, and likewise to reward our members, CCEA has created this annual, non-renewable \$1,000 scholarship for Clay County Students who meet the established criteria.
